## IV. SUB-COMMITTEE REPORTS

Linda Revels, Vice Chairperson, asked for reports from each committee chair:

Risk Needs & Assessment Committee – Tom Landry, Committee Chairperson, reported that their committee and Lance Britt met online on 11-15-21 and discussed the needs within our county. Based on the Risk & Needs data that Lance provided and the YASI report that started in January, the committee was able to put together the Annual Risk & Needs Assessment Summary for planning

for FY 2022-23. He reviewed a few statistics from their report regarding juveniles being bullying, rejection by peers, school behavior, delinquent behaviors, prior assaults with a weapon, family parenting issues (education needed), etc. He reported that the committee put together their recommendations for services to advertise for in the RFP FY 22-23 and they summarized the gaps and barriers. He pointed out that if JCPC does not fund the current programs (or fund the same types of services in FY 22-23) there would be a gap in Restorative Services, Structured Activities for Delinquent Youth and in Community Day Programs. **Tom Landry** stated that if there are any questions about this raw data, it will be posted on the website.

**Linda Revels** asked if council had any questions about the report before hearing a motion of approval. There were none.

**Tom Landry** made a motion to receive the JCPC Risk & Needs Assessment Summary for Annual Planning FY 2022-23 into our JCPC's records and to approve the report.

**Ronald Flippin** seconded the motion.

All were in favor.

**Linda Revels** than asked if there were any questions about the new RFP before hearing a motion to approve it. There were none.

**Shirley Hart** seconded the motion.

All were in favor.

Membership & Nominating Committee – (*Gwen Quick arranged for a committee member to report in event of her late arrival.*) **Tom Landry** reported that the two most recent board members were approved by the County Commissioners on 11-1-21:

- Mrs. Gina Daniels of NC Cooperative Extension (now filling Non-Profit Organization position)
- Mr. Richard Leak of Southeastern Behavioral Healthcare Svc. (now filling Substance Abuse Professional position)

Monitoring Committee – **Jackie McLean**, Committee Chairperson, reported that they plan on conducting the Annual Monitoring on January 5<sup>th</sup>, 2022 of all four programs.

## V. AREA CONSULTANT'S REPORT

**Lance Britt**, NC DPS Area Consultant, thanked Tom Landry and the Risk & Needs Committee for conducting their work so quickly. He also reminded the council that the RFP needs to remain open for at least 30 days. He announced that Mrs. Kelly Cribb will replace him as the area consultant and stated that she will join in on the next meeting and that the transition will be slow.

(Due to audio difficulties, **Lance Britt** asked Randy Jones, Chief Court Counselor, to continue by informing the council about SB 207 and other issues with DPS and mental health assessments.)

Both the Chair and Vice Chair expressed their appreciation for Lance as our Area Consultant these past few years and the assistance he's given us, and they look forward to working with Mrs. Cribb.

**Randy Jones** stated that Senate Bill 207, which is a modification of Raise the Age bill, has generated a series of WebEx trainings that he will report on in January 2022 and how it looks for JCPC. He also announced that Keith Bullard is no longer his designee and has named the new DJJ Supervisor, Ms. Julie Hernandez, as his choice of a new designee.
